# Company Profile

*Lets add a new life to your car's interior*

# Welcome

Axis Auto Trim & Upholstery was established in October 2019.

The company was established to fill the gap of vehicle trimming services which existed before its establishment. Locally, there are a lot of companies offering motor vehicle mechanical services. Some are offering panel beating and spray painting services but auto trimming services are very rare.

As a result, many vehicles which are running on the roads of Malawi look beautiful from the outside but their interior like seats, door panels, ceiling or carpets are in bad shape. Axis Auto Trim & Upholstery is here to solve this problem.

We believe that no matter how old the car is, but if it is well serviced mechanically and its interior is trimmed by Axis Auto Trim & Upholstery, it will be as comfortable and enjoyable just like the new ones.

## **Vision**

To be the best motor vehicle trimming and upholstery service provider in Malawi

## **Mission**

To provide the best and highest quality motor vehicle trimming and upholstery services in Malawi

## **Slogan**

Let us add a new life to your car's interior

# Core Values

## **Quality**

We commit to provide high quality services to our customers

## **Professionalism**

We commit to be guided by rules and procedures of the motor vehicle trimming & upholstery trade

## **Integrity**

We commit to honesty and trust for the security of our customers' valuables

# Our Services

We offer the following services:

## 1. Car Seats Trimming

When the seats of the car are worn out, we remove the old fabric and re-upholster them with new fabric like leather.

## 2.Car Headliner/ Ceiling Replacement

---

When the fabric of the car ceiling is falling off, it is not possible to fix it again. We remove it and install a new one back to its original state.

### 3. Door Panel Trimming

We re-upholster the fabric of inner door panels of your car when they have worn out.

## **4. Dashboard Trimming**

---

We re-upholster worn out and broken car dashboards

## 5. Car Carpet Replacement

---

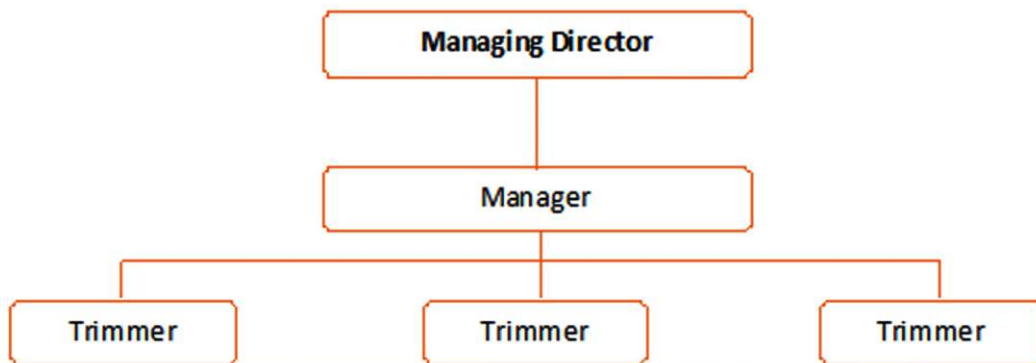

We replace worn out car carpets.

# The Team

Currently, the Company has four permanent employees. A manager and three trimmers. Sometimes more technicians are hired on contract basis so as to meet datelines for our clients.

## Organisation Structure

## Strategic Plan

Within five years, we plan to open branches in Lilongwe and Mzuzu so that we can serve our customers in the central and northern region better. Currently, customers are being forced to drive all the way from central region to access our services.

## Working Hours

---

Open

Sunday – Friday (08:00 – 17:00)

---

Closed  
Saturday

---

## Where we are Based

We are in Zingwangwa, Blantyre. From Zingwangwa market, our workshop is less than 100m after the junction to Chilobwe as you go towards Stella Maris on your left side. There is a signpost.
