- Treating customers as kings/bosses
- Management of high calibre productivity
- Honesty in all business deals with customers
- Democratic principles and transparency in business operations
- Belief in continuous improvements and quality services

Our Services >

We import used Japanese vehicles. Each and every vehicle in our inventory is purchased after careful appraisal and inspection in Japan, Thailand, the United Kingdom, and Singapore by our discerning and experienced buyers. As such, our vehicles are your best choice. Once a customer buys our vehicle, it is sent to them in the shortest time possible through our smooth and prompt procedures. Delivery period is from four to six weeks from the date of bill of lading.

Since our first entry into the market, we have been growing in innovative ideas, improved technologies, and solid systems. Our customers can select cars by using our powerful search engine from our inventory/ Facebook page.

We have a sales office in New Chimwankhunda Project, Plot number CM1183, Manja, Blantyre. Customer service is 24/7/365 to assist you with purchasing procedures. We are always on screens to assist you!

Key Consideration

For suitable growth of the business and creation of competitive advantage, the following key issues are considered for the business.

- Pricing structure;
- Sales Team capabilities & qualifications;
- Advertising channels;
- Promotion of the business
- Infrastructure for the business;
- Market research.

Autohub also lets registered customers participate in automobile auctions, where they find their favourite vehicle. Our discerning and experienced agents can bid for their selection on their behalf.

We perform thorough inspection for each automobile, so that customers never have to worry as to the quality and condition of the automobile. It is ensured that they are surely satisfied with their automobile. We never stop making efforts to provide our customers with better services, and keep pursuing higher customer satisfaction!
