<THE TEAM>

Tech Director | Alfred Mtilatila

Alfred Mtilatila was with the Republic of Malawi Airwing for many years. Alfred worked on fixed and rotary type aircraft before progressing to the Department of Civil Aviation within the Ministry of Transport, where he served as both Deputy Director and Director of the Department for 14 years.

Engineer | Nicolas Chingooza

Nico is a fully licensed engine and airframe technician with over twenty years experience on multiple types. He is a Pratt & Whitney Canada PT6 engine specialist and brings a wealth of knowledge to the team. Nico has trained at DENEL in South Africa and has worked with safety officers on multiple aircraft engineering audits, including teams from large Australian mining houses.

CFO | Ibrahim Eldesouky

Ibrahim who is a bachelor of Law is our Chief Financial Officer and deals with all financial matters. Ibrahim is in his element when he is negotiating deals for us particularly for aircraft acquisitions. He also has his own team for such endeavours.

COO | Adam L W Woody

Adam a fourth generation Zimbabwean, with vast experience in dealing with operational and logistical issues in Africa is our go to, can do, Chief Operations Officer. He is the man that can get things done even in the seemingly most difficult situations.

Pilot | Braam van Rooyen

Braam is a fixed wing and rotor commercial pilot with approximately 12,000 hrs and more than 35 years experience

CSO | John Nammock

John is our chief security officer and is responsible for advising and planning the personal security and safety procedures, particularly in country. John served with the British Army and has a wealth of experience particularly in Africa, with more than a total of 40 years including anti-piracy experience. The personal safety of our staff and our aircraft are in the capable hands of John.

Pilot | Abdel Ewis

Abdul is a commercial pilot etc with 350 hours experience, qualified in South Africa.

Operations | Natasha Wood

Natasha recently joined us having graduated with honors from Stenden University in Bachelor of Commerce. Natasha is our ground operations and liaison officer.
